

THE BRAINS BEHIND SAVING YOURS.™

The Mankato & North Mankato ACT on Alzheimer's Action Team invites local faith community leaders to learn about Dementia Friendly Faith Communities.

Dementia and the Spirit: A Journey and a Destination

Over 92,000 Minnesotans are living with Alzheimer's disease and nearly 251,000 family members and loved ones are in a caregiver role. This half-day seminar will provide faith communities with resources to support those living with or caring for someone with dementia in their community. Information about the disease, effective communication, focusing on the person and the importance of spirituality in dementia care will be discussed.

September 29, 2017

8-8:30 a.m. Check-in & Breakfast
