# Minnesota River Area Agency on Aging Data Profile

Published March 2018

The Minnesota River Area Agency on Aging is the designated area agency on aging for the Southwest Planning and Service Area (SW PSA). It includes the following counties: Big Stone, Blue Earth, Brown, Chippewa, Cottonwood, Faribault, Jackson, Kandiyohi, Lac qui Parle, Le Sueur, Lincoln, Lyon, Martin, McLeod, Meeker, Murray, Nicollet, Nobles, Pipestone, Redwood, Renville, Rock, Sibley, Swift, Waseca, Watonwan, and Yellow Medicine. The *Minnesota River Area Agency on Aging Data Profile* includes a variety of information about the older adult population in the twenty-seven-county area.

The Minnesota River Area Agency on Aging provides advocacy, information, resources and assistance so that older adults can maintain the lifestyle of their choice.

The landscape of aging in Minnesota is changing. Sixty thousand Minnesotans will turn age 65 every year, now through 2030. The number of Minnesotans turning age 65 this decade (285,000) will be greater than the past four decades combined. By approximately 2020, Minnesota’s 65+ population is expected to eclipse the ages 5-17 kindergarten through twelfth grade population for the first time in history.

As you review the *Minnesota River Area Agency on Aging Data Profile*, you will note the variances in the data across the SW PSA – each county is unique. The consistent piece of data across the SW PSA is that between 2015 and 2030, every county has an increase in the percent of the total population age 65+.

For more information, go to the Minnesota Department of Human Services Aging Data Profiles at <http://Mn.gov/dhs/aging-data-profiles/>.

## 2009 Nursing Home (NH) Utilization Rates

## 2015 Nursing Home (NH) Utilization Rates

## Long-Term Services & Support Expenditures – Home and Community-Based Services (HCBS) Versus Institutional

All numbers are in the thousands. HCBS expenditures are the total Alternative Care, Fee for Service Elderly Waiver (FFS EW), Managed Care Organization Elderly Waiver (MCO EW), and Medical Assistance (MA) home care spending. Institutional expenditures total Medical Assistance nursing home(NH) spending during 2010 and 2015.

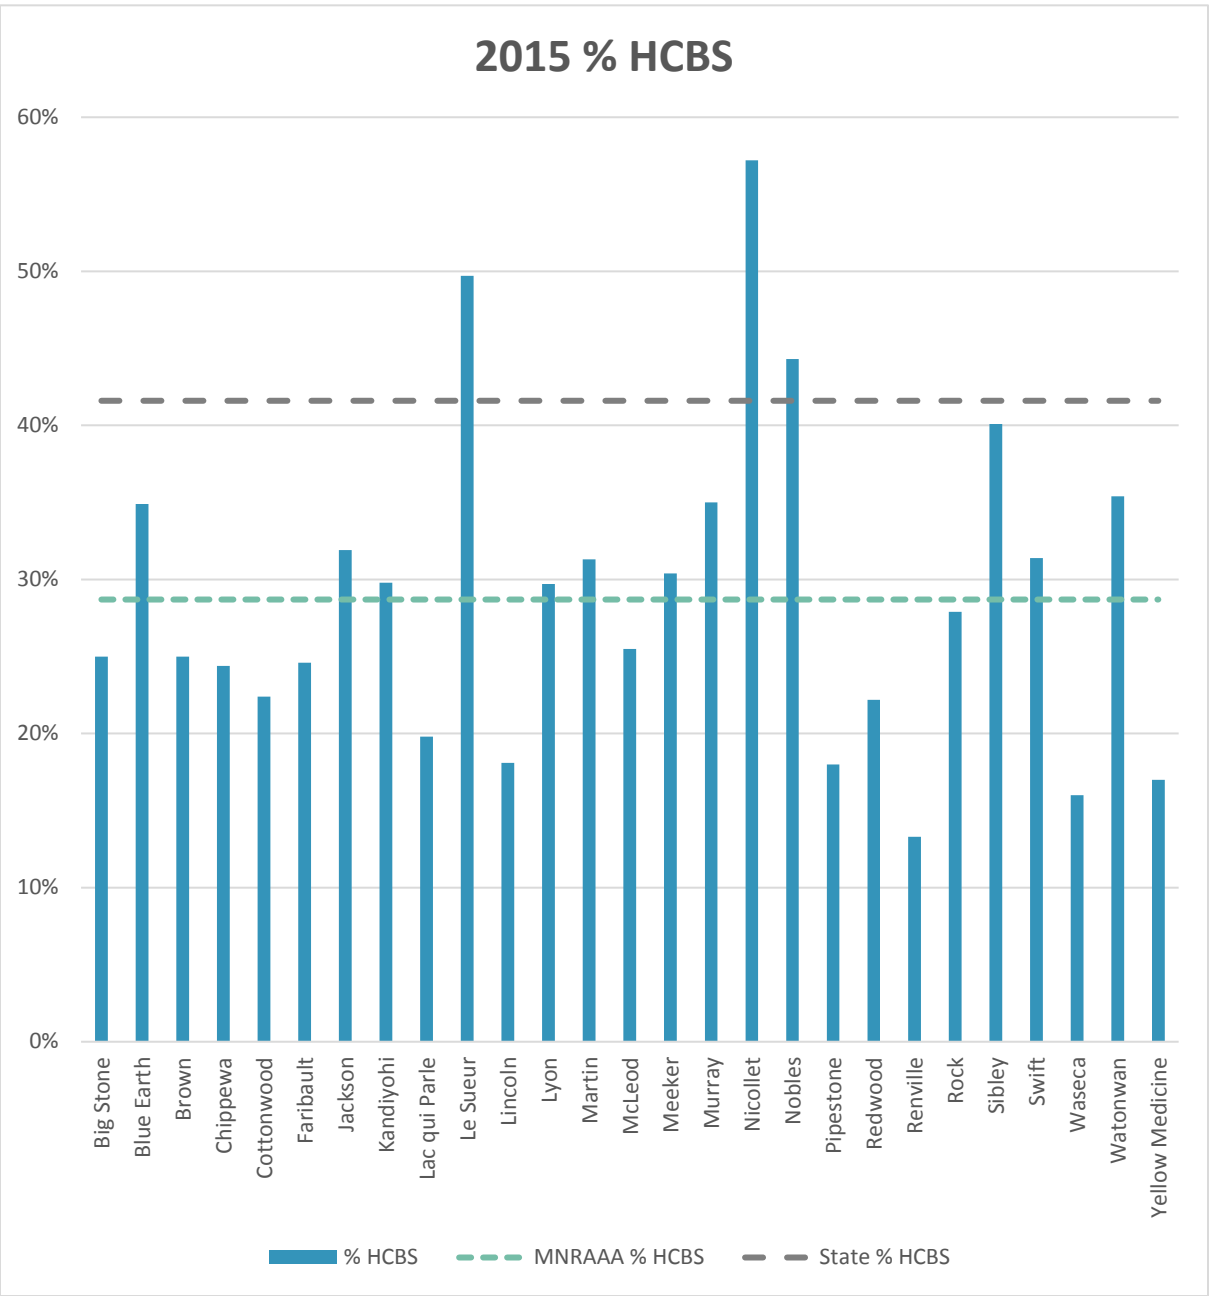

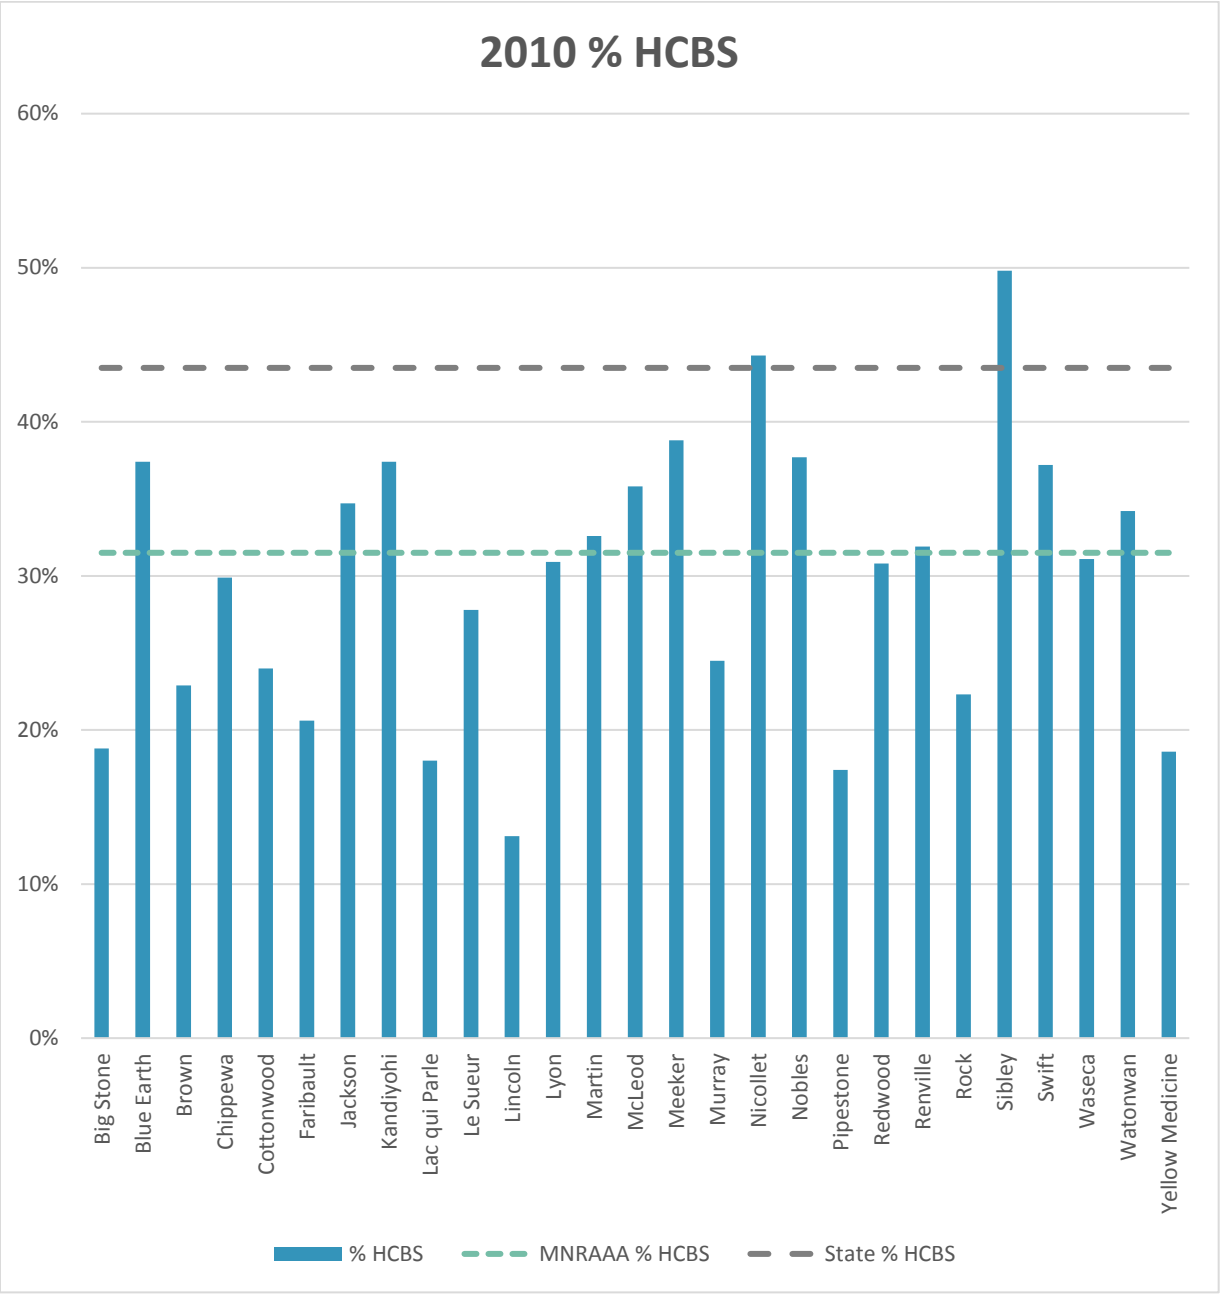

County	AC <sup>1</sup>		FFS EW <sup>2</sup>		MCO EW <sup>3</sup>		MA <sup>4</sup> Home Care		MA Nursing Home Care		Total		% HCBS		% Nursing Home
