Virtual Network Training

Wednesday, May 13, 2020

AGENDA	
10:00 - 11:00 AM Older Americans Act, State Programs and MN's Aging Network: Leveraging Strengths During Pandemic	Minnesota Board on Aging <ul style="list-style-type: none"> - Reena Shetty, Planning Coordinator - Mike Saindon, Eldercare Development Partnership Coordinator - Kjersta Meium, Senior LinkAge Line Specialist
11:00 AM - 12:00 PM Unconscious Bias: Impact -> Counteract	<ul style="list-style-type: none"> - Mark Hiemenz, Wiser Paths Consulting <p>None of us wants to let something we're not aware of limit our effectiveness. Did you know that 99.999996% of what our brains process every moment is unconscious? Learn how to raise awareness of your biases and replace them to act in alignment with your values while you strengthen your commitment to improving our communities. The session will help you understand unconscious bias, provide a framework for addressing it and give participants tools to address it. As you open your eyes and open your mind, you can turn unconscious bias into conscious awareness and actions aligned with your values.</p>
12:00 - 12:45 PM Break	
12:45 - 2:40 PM Top Trends and Strategies in Volunteer Engagement	<ul style="list-style-type: none"> - Polly Roach, Minnesota Association for Volunteer Administration <p>This training session will provide key findings about recent changes and current trends in volunteerism from field-based research conducted by MAVA in 2018. The presenter will share practical tips on how to capitalize on these trends and successfully involve volunteers in higher responsibility roles, take advantage of new methods for managing volunteer engagement, and attract volunteers from particular age demographics, including Boomers, Millennials and Generation Z.</p>
2:40 - 3:00 PM Preadmission Screening	<ul style="list-style-type: none"> - Kristen Mullen, Minnesota River Area Agency on Aging <p>Review of state and federal laws which require PAS before admission to Medical Assistance (MA)-certified nursing facilities regardless of payer source. This process ensures people receive care in a setting that best meets their needs, as well as receive specialized services if necessary. Learn more about what a PAS is and who can submit one.</p>

This training is supported, in part, by a grant from, Minnesota Department of Human Service.
