BACKGROUND

The Minnesota River Area Agency on Aging (MNRAAA) believes that older adults thrive in Southwest Minnesota when they can maintain the lifestyle of their choice. In order for this to happen, MNRAAA works to ensure: 1) services are available for older adults and caregivers; 2) resources are available to communities and providers serving older adults and caregivers; and 3) older adults have the information and assistance they need to access services.

As a state-designated Area Agency on Aging (AAA), MNRAAA administers Older Americans Act (OAA) funds and is responsible for the development of a coordinated and comprehensive system of services for older adults and their caregivers in Big Stone, Blue Earth, Brown, Chippewa, Cottonwood, Faribault, Jackson, Kandiyohi, Lac qui Parle, Le Sueur, Lincoln, Lyon, Martin, McLeod, Meeker, Murray, Nicollet, Nobles, Pipestone, Redwood, Renville, Rock, Sibley, Swift, Waseca, Watonwan and Yellow Medicine Counties. To accomplish this, MNRAAA awards Title III OAA funding to agencies and organizations that provide direct services for older adults (age 60+) and caregivers.

REQUEST FOR GRANT APPLICATIONS

The funds available through this Request for Grant Applications are to address the service needs of older adults resulting from the COVID-19 pandemic and the challenges being faced by agencies and organizations in the delivery of these services. To ensure the timely utilization of the funds, MNRAAA has implemented a streamlined application and award process.

MNRAAA is seeking providers of the following:

Supportive Services in any location in MNRAAA's service area where there is a gap in the proposed service(s).

- **Chore** – Assistance such as heavy housework (including but not limited to washing floors, windows and walls; basic home maintenance; or moving or removal of large household furnishings and heavy appliances), yard work or sidewalk maintenance for a person. Unit of service = 1 hour.
- **Homemaker** – Assistance such as preparing meals, shopping for food and other personal items, managing money, answering or making telephone calls or doing light housework (including but not limited to laundry). Unit of service = 1 hour.

AVAILABLE FUNDS

Coronavirus relief funds for the provision of Enhanced Home Care services for isolated older adults in their homes, sub-awarded to the Minnesota Board on Aging (MBA) and allocated to MNRAAA, will be awarded on an on-going basis through November 30, 2020, or when all available funds have been expended, whichever comes first.

No cost sharing or matching funds are required for Enhanced Home Care grant awards. Enhanced Home Care grant awards are not renewable.

ELIGIBLE APPLICANTS

Non-profit agencies, units of government and for-profit organizations with relevant expertise and experience in the provision of services to older adults and/or caregivers are eligible to submit an application for Enhanced Home Care funding.

Service providers who are not currently receiving Title III OAA funds are encouraged to apply. MNRAAA's current Title III providers may apply for funding for a new service but may not apply for a service they are currently receiving Title III funding to provide.

FUNDING PERIOD

Enhanced Home Care funds are available for use upon execution of a signed agreement and must be expended by 12.31.2020.

SERVICE AREA

Enhanced Home Care funds provided through this Request for Grant Applications are intended for use in MNRAAA's twenty-seven county service area. Funds are intended to fill service gaps; applications for services that duplicate existing services within an area will not be funded. No minimum service area is required, and multi-county service areas are permitted. (Counties in the MNRAAA service area are included in the Background section).
